Profile

I'm a 2D compositor, motion graphics artist and photographer based in Puerto Rico. with a passion for animation, film, photography and post production. My main tool is Adobe After Effects for compositing and motion design and Adobe Photoshop and Adobe Lightroom for photography and editing. I'm currently volunteering on independent animation projects to further expand my skills and build my work.

Experience

2025 - Present
Nolux Studios

Project: Whisper of the Vessel

Composting volunteer on animated indie project. Helping on task such as assets management, lighting, vfx, masks, etc.

2024 - 2024
Mana-T Studios

Projects: Rockolandia, Anima- T,
The two worlds of Mona

Intern assisting in post production of multiple projects such as compositing for an animated kids show and motion graphics for other projects of the studio.
